Lnv44 in Valley is back on.

L/C sent letter to G/C about supt bulletin concerning meal periods violating the CBA. Follow the bulletin and put in time claims for violation of CBA. 20 min for yard jobs-reasonable amount of time for 2<sup>nd</sup> meal. Reasonable amount of time for locals. Supt says he has instructed his managers to allow up 30 min for meals.

Because the carrier is denying the local switching claims saying we aren't one big terminal, claim zone breaks.

If you go east of Arlington to get a train on the Fremont pool, claim a 2<sup>nd</sup> trip out.

Don't take your meal period on the end under any circumstances.

Division 183 is invited to attend town hall meeting with President Pierce on Feb 23<sup>rd</sup> at 18:30 in Lincoln. G/c should be there.

L/C McCoy attended meeting with Supt and Ryan Long. Would like safety issues put on safety hotline in addition to notifying local managers.

2<sup>nd</sup> district TSC facilitator gave presentation about starting new TSC program here. Facilitator is a full time position, not ran by Carrier. Job is to hold carrier responsible for issues. North Platte facilitator is Greg Otzel (308-530-1528) if you have issues in North Platte.

We will continue to discuss at division level to decide if we are interested in participating.

Vacancy procedures are supposed to be correct until it gets to manual,then the caller will do whatever they have to to fill vacancy.

By the end of the month corridor mnagers territory will be from North Platte to Clinton. There will be a seperate corridor to balance crews and arrange vans.

Question on PTC working at original terminal. Do what they tell you, PTC laws not federally enforceable till all RR's are compliant

NPSU requested meeting about crew balancing and ratio boards, why train lineup's are so inaccurate and getting crews in place. Having conference calls at 15:00 everyday. Nobody from carrier on call last weekend.

Talked about dead heading to the work instead of away from heldaway. No interest in crew balancers, went away when Vena came in.

Discipline cases-Eric Davis red signal at b040, back to work 12/15. John Johnson wrote and signed a note he put in CB yard office- it got turned in to EEO. EEO let it go back to service unit assessed Maps 1 and back to work.
