

Mr. Luke Edington
General Chairman
SMART-TD, UPED

Dear Mr. Edington,

This is in reference to the newly established utility seniority (072491) roster . After reviewing the roster, I noticed that my name was not included on said roster. It should be noted that my name did appear on the previously established roster (070501) that was used when awarding bids to previously established utility assignments within my seniority district/hub.

This is my formal request for you to update seniority roster 072491 to reflect the same seniority position equivalent to my brakeman/hub seniority date as shown on roster 070501. Please provide me with notification as to when my rightful seniority has been restored on the newly established seniority roster (072491).

Best Regards,

Ms. Jennifer Powell
